

SHARE YOUR PROJECT PHOTOS!

We're collecting project photos for the 2019 Akkerman Calendar!

Your photos should contain Akkerman equipment in good repair as the main subject, on a project that took place between October 1, 2017 and the present. See the image specifications below.

Please include the following with your emailed photos:

- >> Contractor's name
- >> Project start and end date
- >> Project name and location
- >> Akkerman equipment
- >> Ground conditions
- >> Type of installation
- >> Pipe material, ID/OD, joint length
- >> Total footage installed
- >> Number of drives
- >> Crew members names and titles (if featured)
- >> Additional information describing the image or project circumstances

If your image is selected, you will be notified and receive 10 copies of the calendar in mid-December.

THANKS FOR SHARING YOUR PROJECTS!

SUBMIT BY NOV. 2

(Click to Submit)

- IMAGE SPECIFICATIONS -

- Files must be saved in JPEG format
- The image must be high-resolution and have at least 3,000 pixels on the longest side and submitted at actual or full file size
- If you have several large files, please email landerson@akkerman.com and a Dropbox link will be generated for you
- Calendar photos will be selected on the basis of diversity of equipment and applications, image quality, aesthetics, project circumstances and space availability. Images that are not selected for the calendar may be used for other Akkerman marketing purposes.

The submitter agrees to the following terms and conditions:

The submitter grants permission to Akkerman and its employees to use submitted images in its promotional efforts, including but not limited to print or electronic publications, websites, social media outlets or any other form of digital communication. The submitter agrees that the descriptions provided by their company and project may be identified in the text or commentary in conjunction with the images. The submitter authorizes the use of these materials indefinitely without compensation to them or their organization.
