

EMPLOYMENT OPPORTUNITY

MACHINIST

A local manufacturer is accepting applications for a qualified machinist to work in our Machining Department. Applicants must have a minimum of three years experience of setting up and operating a CNC mill and/or lathe. Experience with Mazatrol is a plus. The machinist will be responsible for the following:

- Reading engineering prints
- Set up of machine
- Operating machine
- Machine maintenance
- Calibration of employee gages
- Following procedures

Go to www.akkerman.com/employment.php to obtain an employment application. To apply, send your resume and completed application to jakkerman@akkerman.com or mail the documents to:

Attn: Operations Manager
Akkerman Inc.
58256 266th Street
Brownsdale, MN 55918
